

**Boys Hope
Girls Hope**

**A home. An education.
And a FUTURE.**

Boys Hope Girls Hope nurtures and guides motivated young people in need to become well-educated, career-ready men and women for others.

We believe in the transformative power of education to cultivate lifelong learners who rise above disadvantaged backgrounds. Our scholars learn and grow together as we help them bridge gaps through robust enrichment tools, enhanced learning, and safe spaces for development that prepare them for success in post-secondary education and beyond.

OUR PATHWAYS TO SUCCESS

Residential home

providing round-the-clock support in a dynamic, nurturing environment, coaching, and college-preparatory educational experiences **for scholars** who benefit most from out-of-home placement

Academy

providing year-round, out-of-school support, mentoring, and college-preparatory educational experiences **for scholars** who can live at home, but require additional resources

Post-secondary network

providing academic, emotional, financial, independent living, and educational support **for collegians, and networking, mentoring, and service opportunities for alumni**

Boys Hope
Girls Hope

New York

THANK YOU
MACKENZIE SCOTT!

We would like to share with you our story of Hope:

In 2023, Boys Hope Girls Hope of New York (BHGHNY) stood at a crossroads, facing the real possibility of closing our doors due to strained infrastructure and a lack of diverse revenue sources. The future of the scholars who depend on us was uncertain. But hope emerged in an extraordinary way through the generosity of MacKenzie Scott and the Yield Giving Open Call.

Out of 6,353 applicants, BHGHNY was selected as one of 250 organizations to advance to the second round of the Yield Giving Open Call, where our work was reviewed by an experienced external Evaluation Panel. Recognizing the extraordinary impact we could have, the donor team expanded the pool of awardees and increased the grant amounts. We were honored to receive a life-changing \$2 million in funding—support that has redefined our future.

This transformative grant not only secured our ongoing operations but also enabled us to completely restructure our program offerings. Thanks to this support, we've onboarded a diverse and dynamic team and filled our boys' residence hall to capacity for the 2024–2025 program year. Our reorganization plan is designed to extend our reach and amplify our impact, setting us on a path toward a brighter future.

"This generous grant from MacKenzie Scott and Yield Giving has fundamentally changed our trajectory. It's a powerful affirmation of our mission and impact. **However, our work is far from done, and we continue to rely on the generosity of our community to ensure every child has the support they need to succeed,**" said Christina Hall, Executive Director of BHGHNY.

We are filled with excitement as we embark on this new chapter, setting ambitious goals and striving to reach new heights in our organization's history. We are deeply grateful to MacKenzie Scott and Yield Giving for their pivotal role in helping us reach this moment.

While we have made significant progress, our journey is far from complete. We invite you to join us on this journey of growth and transformation. **Visit [bhghny.org/donate to get involved](https://bhghny.org/donate-to-get-involved).** Together, we can ignite hope and transform lives, one scholar at a time

They have the ability. We provide the access and opportunity.

Together, we make hope happen.
