

## HOPE IN ACTION

### Did you know? ...

The population we serve in New York City has a high school graduation rate of 51%?

Scholars who attend our program beat the odds with a graduation rate of 100%!

Boys Hope Girls Hope of New York helps close the gap of educational disparities by connecting high school students to resources that help them better prepare for their future. These resources consist of internships, academic programming, career readiness, college preparation, and providing safe spaces for their development.

We firmly believe that young people have the power to overcome adversity, realize their potential, and help transform our world.

## OUR MISSION

To nurture and guide motivated young people in need to become well educated, career ready men and women for others.

## DONATE TO HOPE

- Cultural Fluency and Social Justice

# HOPE FOR THE FUTURE

Acceptance into a 4-year college

of our scholars have their full financial needs met entering into college

of our scholars maintain a 3.0 GPA or higher

of collegians complete their undergraduate degree

"Access without support is not opportunity"

# OUR MISSION

To nurture and guide motivated young people in need to become well-educated, career-ready men and women for others.

In recent years, Boys Hope Girls Hope of New York launched a brand new Scholar Academy. This has been an incredible new way of expanding our support and supporting non-residential scholars through programming!

**A FUTURE**

# OUR SCHOLARS

We serve academically capable and motivated youth in need. Some may need a safe place to live and all need a supportive team of people and academic resources. "In need" for us includes any external force that would prevent a highly capable child from reaching their full potential.

BHGH helps motivated high school students rise above disadvantaged backgrounds. Our goal is to graduate young people who are physically, emotionally, and academically prepared for post-secondary education and productive life, breaking barriers so they can become community-minded leaders.

## OUR PARTNER SCHOOL

In partnering with Bishop Loughlin Memorial High School, our staff work closely with teachers and guardians to ensure each scholar's academic success. BHGH of NY offers tuition assistance to our scholars.

# OUR PROGRAM

Our goal is to graduate young people who are emotionally and academically prepared for post-secondary success and a productive life, breaking the cycle of poverty--magnifying **HOPE**.

## ENRICHMENT

BHGH of NY offers opportunities for scholars to participate in study abroad programs through our through our partnership with **The Island School** in Eleuthera, Bahamas, as well as with the BHGH Guatemala affiliate during the annual summer **Guatemala Service Immersion Trip**.

# OUR RESULTS

of Class of 2024 were accepted into 4-year colleges and universities

Class of 2024 earned over **\$500K** in scholarships and grants! **85%** had their full financial needs met for college.

**100%** of our college students are on track to graduate within 4 years

## SUMMER @ BHGH

Incoming scholars get a glimpse into the academic rigor and residential expectations of a BHGH NY scholar through participation in our Summer Enrichment Academy, while returning scholars are required to participate in an external summer program.
